What makes the difference?

SUPERFORECASTING
The Art and Science of Prediction

The experiment

Taught about risks of working in groups
Encouraged to constructively engage
Taught “precision questioning”

SUPERFORECASTING
The Art and Science of Prediction

“The popularity of soccer, the world’s favourite pastime, is starting to decline.”

“What do you mean by pastime?”

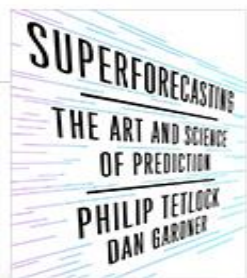

“That’s ridiculous.”

“I disagree.”

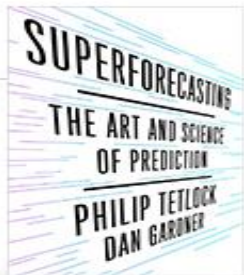

“Over what time period?”

“Where?”

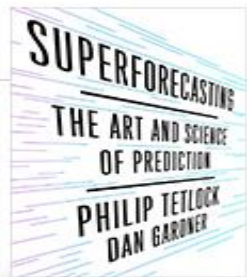

“What evidence is there that it’s declining?”
